

Looking for national parks in New York City?

There's an App for that!

This summer the National Park Service is launching three new apps around the New York City area.

Explore these amazing sites and learn their stories through photos and ranger audio tours as the apps guide you around the parks with interactive maps.

Gateway National Recreation Area

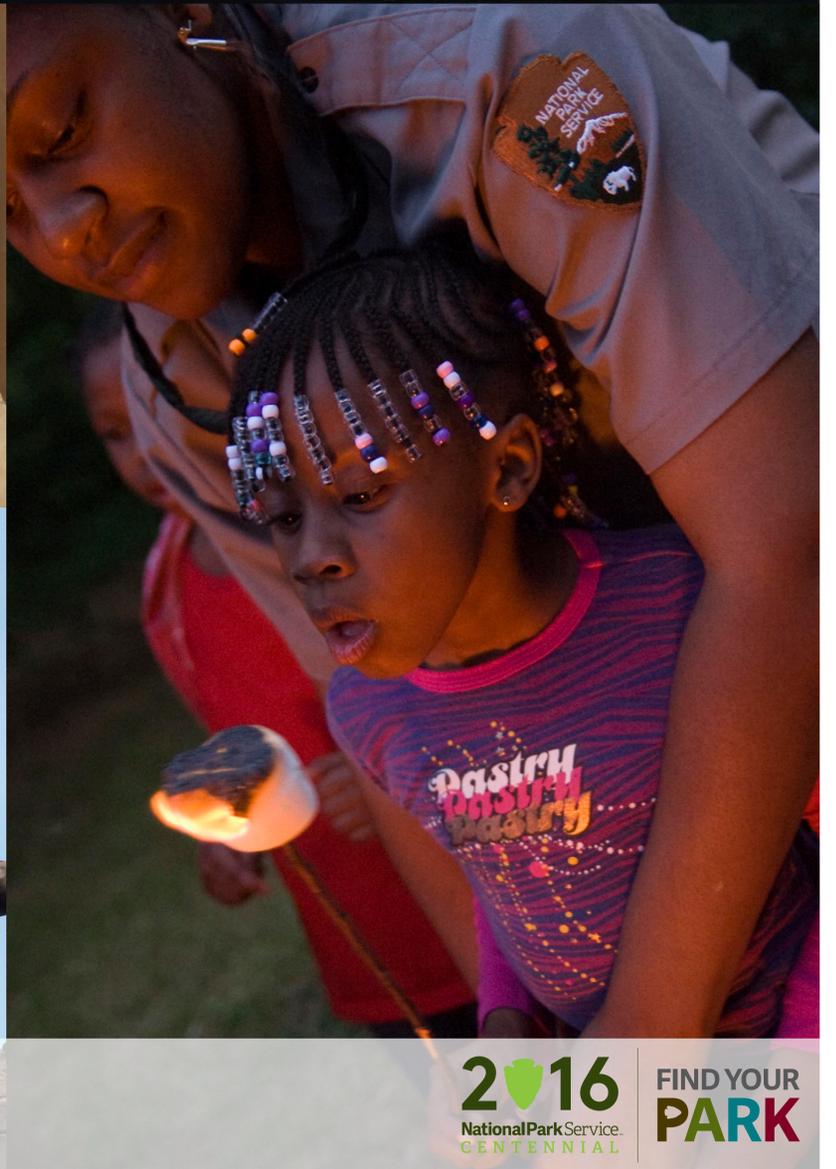

Manhattan & Governors Island National Parks

Statue of Liberty & Ellis Island National Monument

The apps are available at:

2016 National Park Service CENTENNIAL
